

# The Pig Challenge

- **What is The Pig Challenge?**

In WFYFC we have a trophy which is a china pig on a wooden base (hence the name – ‘The Pig Challenge’)!!

- **What does it involve?**

The Pig Challenge was set up as a way of getting YFC Clubs to socialise in a fun & friendly manner. The idea behind it is that a Club will challenge the holders of ‘The Pig’. In principle the challenging club will present 3 challenges & the holders have to pick 1, but you’ve guessed it this doesn’t always happen in principle so as long as both Clubs can agree on details then a challenge can take place. What should then happen is a challenge which results in members having lots of fun & merriment whilst increasing their relations with another Club!

- **Ideas for challenges!**

Quite frankly the challenges can be whatever you want (within reason!). Ideas could be:

- ★ Eating games
- ★ Drinking games
- ★ Tiddlywinks
- ★ Jenga
- ★ Volleyball
- ★ 10 pin bowling
- ★ Pool

- **How do I know who has ‘The Pig’?**

There will be a report at the County Activities Meetings (2<sup>nd</sup> Monday in the month), so you can hear who are the holders & any past challenges. Alternatively look at the chart displayed in County Office. There will be an arrow pointing to the current holders, you can also see how many times your Club has won ‘The Pig’.

I think that sums up ‘The Pig Challenge’. All that is left to say is:

***Happy Challenging!***
